

W 16. Let It Snow Dean Martin

Vers

Oh, the weather outside is frightful,
but the fire is so delightful,
and since we've no place to go
let it snow, let it snow, let it snow

It doesn't show signs of stopping,
and I brought me some corn for popping.
The lights are turned way down low
let it snow, let it snow, let it snow

Refr

When we finally kiss good night,
how I'll hate going out in the storm
But if you really hold me tight
all the way home I'll be warm.

Vers

The fire is slowly dying,
and my dear we're still goodbyeing,
but as long as you love me so
let it snow, let it snow, let it snow
